SHUTTLE BUS BETWEEN STOPS

HOW DOES THE SHUTTLE BUS WORK?

- 1) Choose the direction in which you want to travel.
- 2) Select the initial stop.
- 3) Choose one of the exit options.
- 4) Calculate the arrival time to your destiny stop, following the arrows.
- 5) Remember that you can only go forward in the direction of the arrows, you cannot go back to the prior stops, since the bus travels in one direction only.
- 6) We recommend you to buy your ticket in advance to ensure a seat in our buses.
- 7) Arrival times are approximate, since they can be affected by climate conditions or the state of the route. We recommend you to be 15 minutes earlier at the origin stop.

How to buy a ticket?

- The connection is made in Cerro Castillo, where the Río Don Guillermo border crossing is located (45 min. from Puerto Natales).
- Consider that our arrival schedules are estimated and depend upon climate and traffic factors, Customs and Migration.
- On the day of the trip it is advised to confirm with the company the transit of the bus through that border crossing at sac@bussur.com, since there could be an unexpected change.
- The ticket price changes depending on the origin or destination stop in Torres del Paine.
