# SHUTTLE BUS BETWEEN STOPS

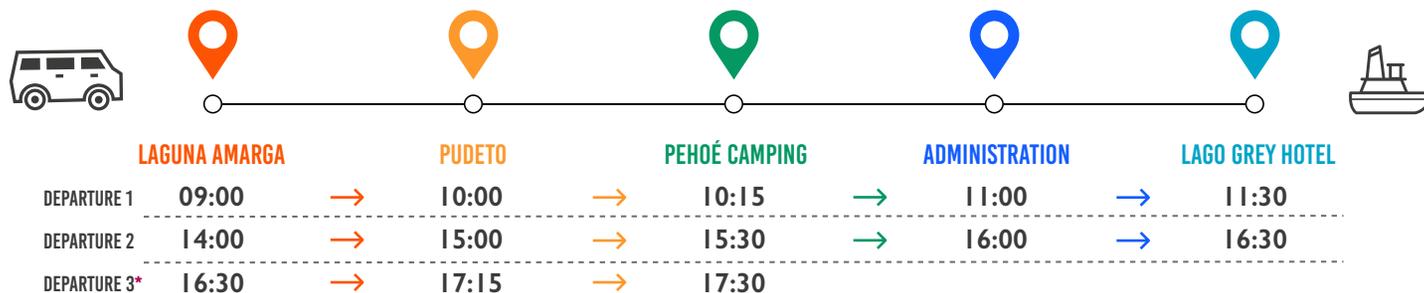

## HOW DOES THE SHUTTLE BUS WORK?

- 1) Choose the direction in which you want to travel.
- 2) Select the initial stop.
- 3) Choose one of the exit options.
- 4) Calculate the arrival time to your destiny stop, following the arrows.
- 5) Remember that you can only go forward in the direction of the arrows, you cannot go back to the prior stops, since the bus travels in one direction only.
- 6) We recommend you to buy your ticket in advance to ensure a seat in our buses.
- 7) Arrival times are approximate, since they can be affected by climate conditions or the state of the route. We recommend you to be 15 minutes earlier at the origin stop.

## How to buy a ticket?

- 1 In Bus-Sur offices (web sales not available).
- 2 Through assisted purchase [ventas@bussur.com](mailto:ventas@bussur.com) (Paypal)

- The connection is made in Cerro Castillo, where the Río Don Guillermo border crossing is located (45 min. from Puerto Natales).
- Consider that our arrival schedules are estimated and depend upon climate and traffic factors, Customs and Migration.
- On the day of the trip it is advised to confirm with the company the transit of the bus through that border crossing at [sac@bussur.com](mailto:sac@bussur.com), since there could be an unexpected change.
- The ticket price changes depending on the origin or destination stop in Torres del Paine.
