

# SHUTTLE BUS BETWEEN STOPS

*Torres del Paine* 2023/24

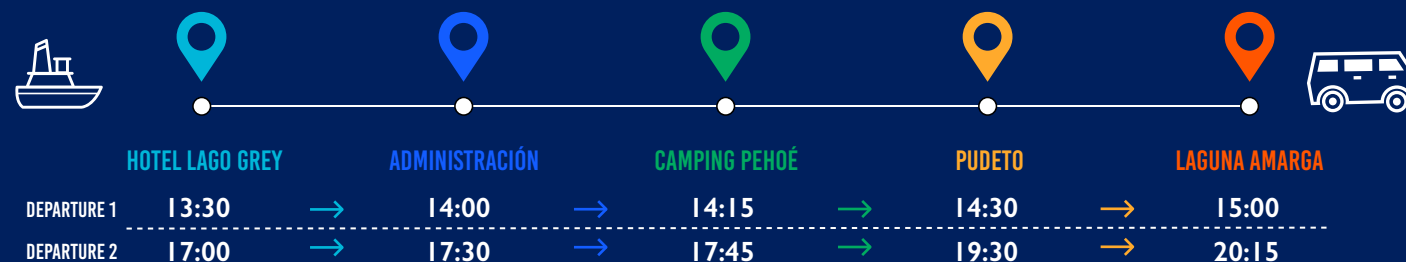

## HOW DOES THE SHUTTLE BUS WORK?

- 1) Choose the direction in which you want to travel.
- 2) Select the initial stop.
- 3) Choose one of the exit options.
- 4) Calculate the arrival time to your destiny stop, following the arrows.
- 5) Remember that you can only go forward in the direction of the arrows, you cannot go back to the prior stops, since the bus travels in one direction only.
- 6) We recommend you to buy your ticket in advance to ensure a seat in our buses.
- 7) Arrival times are approximate, since they can be affected by climate conditions or the state of the route. We recommend you to be **15 minutes** earlier in the origin stop.
